NOTICE OF MOTION
Freedom of Information Act

Mr QUINN (Robina—Lib) (10.19 a.m.): I give notice that tonight I will move—

That this House requests the Attorney-General to introduce amendments to the Freedom of Information Act during this term of parliament consistent with the recommendations of the Legal Constitutional and Administrative Review Committee Report No. 32 relating to cabinet exemptions and notes that these recommendations not only have the support of Independent and opposition MPs but also have the support of Labor MPs Karen Struthers, Peter Lawlor, Ronan Lee and Rachel Nolan on the committee.

I will be inviting the LCARC chairman to second this motion.
