MINISTERIAL STATEMENT

Cultural Centre, People's Day

Hon. PD BEATTIE (Brisbane Central—ALP) (Premier and Minister for Trade) (9.48 am): As we know the gallery will be opened this Sunday. The government has been running an advertising campaign to encourage people to people's day. There will be advertisements in Saturday's *Courier-Mail* encouraging Queenslanders to visit the new cultural centre and be part of the free people's day on 2 December. I table that advertisement for the information of the House.

Tabled paper: Advertisement for Queensland Cultural Centre People's Day.
