MINISTERIAL STATEMENT

GBG Project Management Pty Ltd

Hon. PD BEATTIE (Brisbane Central—ALP) (Premier and Minister for Trade) (11.35 am), by leave: In question time the Leader of the Liberal Party tabled an information memoranda from GBG Project Management Pty Ltd. It says that its purpose is an information memoranda in relation to GBG Project Management Pty Ltd, and it is for use solely for selected parties interested in acquiring shares in GBG. I note that for the record. I have had a look at it. I am not aware that there are any matters in here that have not already been referred to the CMC. However, I am not prepared to allow there to be any risk. I have asked the Clerk to provide me with a copy of it and I will be providing that to the CMC later.
