NOTICE OF MOTION

Electronic Vessel Monitoring System

Mr LANGBROEK (Surfers Paradise—LNP) (Leader of the Opposition) (10.28 am): I give notice that I shall move—

That this House:

Calls upon the state and federal governments to immediately commit to extending the electronic vessel monitoring system so that it encompasses the entire Queensland coast.

That such a system be fully funded and operational within 12 months; and that the Minister for Transport updates state parliament on a monthly basis on the progress of discussions, funding and installation of the system's extension.
