MINISTERIAL PAPER

Townsville Community Crime Forum, Petition

 **Hon. CKT NEWMAN** (Ashgrove—LNP) (Premier) (9.33 am): Madam Speaker, as you know, my government recently held its first community cabinet in Townsville. During this visit I was provided with a petition from the Townsville Community Crime Forum expressing support for boot camps as a way of dealing with juvenile crime. Unfortunately the petition is a non-conforming petition and does not meet parliamentary guidelines, so it is not able to be formally lodged in that regard. But given that almost 5,400 people have taken the time to sign it, supporting boot camps, I am pleased to table the petition to place the information on the public record.

Tabled paper: Non-conforming petition supporting boot camps [\[652\]](#).
