MINISTERIAL STATEMENT

National Others Week

 **Hon. CKT NEWMAN** (Ashgrove—LNP) (Premier) (9.42 am): In a world of constant change, it is reassuring to know that faith communities, like the Christian Outreach Centre Australia, are growing stronger. The COC is behind National Others Week, which will be launched in Brisbane tomorrow, Friday, 24 August. National Others Week encourages all of us to think about others and to reach out and do something nice for someone else. Albert Einstein said—

Only a life lived for others is a life worthwhile.

I congratulate the Christian Outreach Centre for helping to raise awareness of how we can all play a part in making life better for others through National Others Week. I also commend the Christian Outreach Centre's efforts in building up the spiritual and emotional health of our communities which is, after all, where true prosperity lies.
