## MOTION

### Yeerongpilly Transit Oriented Development

 **Hon. JW SEENEY** (Callide—LNP) (Deputy Premier and Minister for State Development, Infrastructure and Planning) (9.07 pm), by leave, without notice: I move—

That under section 66 of the Sustainable Planning Act 2009 the House ratify the State Planning Regulatory Provisions of the Yeerongpilly Transit Oriented Development that was tabled in the Legislative Assembly on 13 December 2011.

This is a procedural motion. The State Planning Regulatory Provision was tabled in the House by the previous government but was required to be ratified. It was not ratified. I seek to correct that error tonight and I commend the motion to the House.

Question put—That the motion be agreed to.

Motion agreed to.
