MINISTERIAL STATEMENT

Correction of Ministerial Statement; Social Housing

 **Hon. LM ENOCH** (Alger—ALP) (Minister for Housing and Public Works and Minister for Science and Innovation) (1.12 am): This morning I referred to funds allocated toward social housing within Indigenous communities. The budget allocates \$129 million, and the hard copy of my speech provided to the attendant stated that fact. However, I inadvertently said \$190 million and I take this opportunity to correct the record.
