Record of Proceedings, 27 March 2015

**MOTION**

**Referral to the Health and Ambulance Services Committee**

 **Mr HINCHLIFFE** (Sandgate—ALP) (Leader of the House) (4.30 pm), by leave, without notice: I move—

1. That the Health and Ambulance Services Committee inquire into and report on personal health promotion interventions using telephone and web based technologies.
2. That, in undertaking this inquiry, the committee should consider:
  - evidence for the effectiveness and cost-effectiveness of health coaching interventions to:
    - increase physical activity;
    - improve nutrition; and
    - reduce weight;
  - current personal health promotion interventions in Queensland, their scope, resourcing and evaluation;
  - experience in other jurisdictions in developing, implementing and evaluating relevant health promotion interventions; and
  - potential opportunities for collaboration and cooperation between government agencies, research institutions, community organisations and the business sector to promote health and wellbeing through innovative use of information and communication technologies.
3. Further, that the committee report to the Legislative Assembly by 12 June 2015.
