MOTION

Referral to the Education, Tourism and Small Business Committee

Hon. SJ HINCHLIFFE (Sandgate—ALP) (2.42 pm) by leave, without notice: I move—

That the Education, Tourism and Small Business Committee inquire into smoking and tobacco use at universities, technical and further education facilities, and registered training organisations.

That, in undertaking this inquiry, the committee should consider: what arrangements currently apply that limit smoking at these facilities; the impact of smoking on staff, students and campus users; and the capacity for improved laws and regulations at these facilities to reduce smoking.

Further, that the committee report to the Legislative Assembly by 29 April 2016.
