MINISTERIAL STATEMENT

Correction to Record of Proceedings

 **Hon. A PALASZCZUK** (Inala—ALP) (Premier and Minister for the Arts) (2.20 pm): Yesterday in an answer to a question without notice, I said—

Where child safety officers are found not to be performing they have been made redundant.

I wish to correct the record. No staff have been made redundant during my term of government. There is a range of disciplinary options for staff found not to performing right up to dismissal.
