MINISTERIAL STATEMENTS

Further Answer to Question; Youth Detention Centres

 **Hon. YM D'ATH** (Redcliffe—ALP) (Attorney-General and Minister for Justice and Minister for Training and Skills) (9.58 am): I wish to make a statement to the House in response to the member for Mansfield's question without notice on the last sitting day. On 25 May the honourable member asked me whether damage associated with a recent rooftop incident had taken the repair bill on youth detention centres beyond the \$1 million mark. In response, I report that the total repair bill over the past two years totals approximately \$1.2 million. Costs that would have been incurred to repair damage prior to 2015 cannot be fully quantified as under the previous government these costs were not separately reported but were instead accounted for in maintenance costs by the department.
