**WASTE REDUCTION AND RECYCLING (WASTE LEVY) AND OTHER  
LEGISLATION AMENDMENT BILL**

 **Dr ROWAN** (Moggill—LNP) (12.53 pm): I rise to make a contribution to the debate on the Waste Reduction and Recycling (Waste Levy) and Other Legislation Amendment Bill 2018. The bill before us today is a desperate attempt by Labor to implement a new tax with a growing legacy of economic vandalism. In this state, debt will be \$83 billion by 2021-22. There will be significantly higher unemployment. This government has no plans for the western suburbs of Brisbane when it comes to transport and educational infrastructure. This proposed Labor tax is the legislative and budgetary equivalent of a wolf in sheep's clothing.

**Mr DEPUTY SPEAKER** (Dr Robinson): Order! Under the provisions of the business program agreed to by the House and the time limit for this stage of the bill having expired, I call the minister to reply to the second reading debate.
