MOTION

Coronavirus, Economic Response

 **Mr JANETZKI** (Toowoomba South—LNP) (4.59 pm): One would think from the member for Miller's contribution tonight that the Labor government actually expect us to put them on our shoulders, walk around and give them a great parade for all their achievements. The health crisis that we warned would become an economic crisis has become an economic crisis. What we need to be doing is actually listening to certain regions that tell the story of the challenge facing our—

Mr DEPUTY SPEAKER (Mr Stewart): The time for the debate has expired.
