**MINISTERIAL STATEMENT**

**Further Answer to Question, Coronavirus Restrictions**

 **Hon. SJ MILES** (Murrumba—ALP) (Deputy Premier and Minister for Health and Minister for Ambulance Services) (4.01 pm): I rise to make a ministerial statement. I refer to question time this morning. In answer to a question put to the Premier by the member for Bundaberg, I can advise that the easing of restrictions for stage 1 of the road map came into force on 15 May. The directions have not changed since they were published. The questions and answers published on the Queensland Health website provide assistance in interpreting the directions. As we receive queries from the public the questions and answers are updated to make sure they are relevant. I am advised that is what occurred between the versions that the member referred to in his question.
