ACTING SPEAKER'S STATEMENT

Cystic Fibrosis Queensland

 **Mr ACTING SPEAKER:** Honourable members, since 1960 Cystic Fibrosis Queensland has been the peak not-for-profit charity providing support, services and hope to people living with cystic fibrosis. Cystic Fibrosis Queensland funds research and advocates on behalf of people living with cystic fibrosis receiving support and care from Queensland Health. It also delivers welfare, support and service programs to people experiencing the illness.

Their mission is to see a world where 'Lives are unaffected by Cystic Fibrosis' and to assist everyone affected by cystic fibrosis to live fuller, healthier lives. The month of May is the national awareness month for this very important issue, with events and activities taking place across the country to raise funds and awareness for people living with cystic fibrosis. Tomorrow, 26 May 2023, is the national awareness day for cystic fibrosis and the parliament will be showing its support by lighting the building in red for the night.
