**CLEAN ECONOMY JOBS, RESOURCES AND TRANSPORT COMMITTEE;
REPORT**

Document

 **Ms RICHARDS** (Redlands—ALP) (11.21 am): I preface this by saying that we have a very hardworking secretariat. I am advised that a report that was tabled by my committee on Friday did not have a document attached due to an administrative error by the secretariat. For completeness, I table the omitted document.

Tabled paper: Clean Economy Jobs, Resources and Transport Committee: Report No. 7, 57th Parliament—Resources Safety and Health Legislation Amendment Bill 2024: Addendum [1037](#).
