## **MINISTERIAL STATEMENT**

### **New South Wales, Weather Event**

 **Hon. DF CRISAFULLI** (Broadwater—LNP) (Premier and Minister for Veterans) (9.37 am): I want to pass on the best wishes of the entire state and this House to the residents of the Mid North Coast of New South Wales who are experiencing record flooding rains. There have been hundreds of rescues and tens of thousands of residents have been told to prepare for isolation. While next week our two states will go head to head on the footy field, right now we stand shoulder to shoulder with our friends in New South Wales in their hour of need. We stand ready to provide any resources to help them during this difficult time.
