MR MESSENGER asked the Premier and Minister for the Arts (MS BLIGH) -

QUESTION:

With reference to \$30m committed to the construction of the unwanted and unneeded desalination plant at Agnes Water –

Will the Minister give a guarantee that no Labor lobbyist, member or former member of parliament will benefit from the privatisation of this environmentally damaging project?

ANSWER:

The Agnes Water/Seventeen Seventy Integrated Water Project is an initiative of the Gladstone Regional Council and is the responsibility of that council. Queries regarding this project should be directed to the Mayor or Chief Executive Officer of the Gladstone Regional Council.
