MR A PERRETT ASKED MINISTER FOR TRANSPORT AND MAIN ROADS (HON M BAILEY)—

QUESTION:

With reference to Queensland Rail (QR) heritage assets—

Will the Minister advise (a) of any discussions, plans or recommendations to divest interest in QR heritage assets and (b) which rail items will be provided to heritage groups with no ongoing responsibility and cost to QR?

ANSWER:

I thank the Member for Gympie for the question.

The Palaszczuk Government and Queensland Rail acknowledge the importance of preserving Queensland's rich rail history.

Queensland Rail is currently reviewing its heritage assets model and investigating opportunities to ensure the future preservation and community benefit of these collections. As this matter is under consideration, there is no further information at this time.
