DR M ROBINSON ASKED MINISTER FOR TRANSPORT AND MAIN ROADS (HON M BAILEY)—

QUESTION:

Will the Minister provide for the 2021–22 financial year the budgeted and actual number of South East Queensland public transport trips (reported separately by the number of zones travelled for each)?

ANSWER:

I thank the Member for Oodgeroo for the question.

Passenger trips zones travelled	Millions of Trips	
	2021–22 Budget	2021–22 Actual
01	71.30	49.90
02	45.55	29.63
03	11.54	8.42
04	1.32	0.89
05	3.13	1.87
06	0.83	0.48
07	0.02	0.01
08	0.04	0.03
Total	133.74	91.23

The South East Queensland ticketing system does not recognise the number of zones travelled for every trip. Transactions such as passenger counts do not have an origin and destination pairing which is required to identify the number of zones travelled by passengers. The data in the above table illustrates trips where the number of zones travelled can be determined by an origin and destination pairing.
