QUESTION:

Will the Deputy Premier advise the milestones that will be achieved in the 2022–23 financial year for the Gabba redevelopment project?

ANSWER:

Work to confirm project scope, costs and timeframes, including documentation to support an investment decision, is ongoing as part of a project validation report process for the venue. This work is also subject to the ongoing 50:50 funding negotiations with the Australian Government.

It is expected that the project validation report will be completed in 2023.
