**No. 205**

**Asked on 16 March 2023**

**MR S MINNIKIN ASKED MINISTER FOR TRANSPORT AND MAIN ROADS (HON M BAILEY)—**

**QUESTION:**

With reference to the Transport Coordination Plan 2017–2027—

Will the Minister provide for each Transport Key Performance Indicator listed on pages 21 and 22 (a) the 2017 baseline measurement, (b) the 2027 target measurement and (c) the current (or most recently available) measurement?

**ANSWER:**

I thank the Member for Chatsworth for the question.

As part of its ongoing commitment to the delivery of the Transport Coordination Plan (TCP), the Department of Transport and Main Roads (TMR) has developed the *Transport Coordination Plan Performance Snapshot 2020*, published on 8 November 2022 and can be found online at <https://www.tmr.qld.gov.au/about-us/corporate-information/publications/transport-coordination-plan>. The performance snapshot will address the Member's (a) and (c) questions.

The TCP has not set 2027 targets, however TMR will continue to monitor these key performance indicators, and report on them as they become available.
