MR D CRISAFULLI ASKED MINISTER FOR TRANSPORT AND MAIN ROADS AND MINISTER FOR DIGITAL SERVICES (HON M BAILEY)—

QUESTION:

With reference to the completion of the Hope Island Train Station—

Will the Minister advise (a) if a bus route is to be introduced to connect residents from adjacent suburbs and (b) how local residents can be involved in the planning of any new route?

ANSWER:

I thank the Member for Broadwater for the question.

Urban buses will service the new Hope Island train station.

Translink planners will use community information and feedback to ensure that proposed bus routes meet service accessibility needs. Public communications will commence at the appropriate time in this planning process.
