MR J BLEIJIE ASKED MINISTER FOR TRANSPORT AND MAIN ROADS AND MINISTER FOR DIGITAL SERVICES (HON B MELLISH)—

QUESTION:

Will the Minister apologise to the hundreds of Sunshine Coast residents who have lost their homes or who are going through a process of selling their homes to the State considering the Labor State Government has now cut the vital Mooloolah River Interchange Project?

ANSWER:

I reject the premise of the Member's question.

The Sunshine Motorway, Mooloolah River Interchange Upgrade remains a priority for the Queensland Government and design work is progressing. Following the Australian Government's decision to withdraw its share of the committed funding, the Department of Transport and Main Roads is investigating impacts, alternatives and funding options.
