

**Question on Notice**

**No. 462**

**Asked on 18 April 2024**

**MR M BOOTHMAN** ASKED MINISTER FOR TRANSPORT AND MAIN ROADS AND MINISTER FOR DIGITAL SERVICES (HON B MELLISH)—

**QUESTION:**

Will the Minister advise the passenger patronage numbers, in table format, for all Gold Coast TransLink Bus Services since 2020 (reported separately by month and route including on demand services by individual bus)?

**ANSWER:**

I thank the Member for Theodore for the question.

Given the level of detail and volume of the information requested, I am advised by the Department of Transport and Main Roads that the data requested will take a significant amount of time to collate, diverting much needed resources of the agency from their core business. Publicly available patronage data for Translink contracted bus services can be found on the Translink Dashboard website at: <https://translink.com.au/about-translink/reports-and-publications/performance>
