MR S MINNIKIN ASKED MINISTER FOR TRANSPORT AND MAIN ROADS AND MINISTER FOR DIGITAL SERVICES (HON B MELLISH)—

QUESTION:

Will the Minister advise the cost to the Queensland Government to operate free shuttle buses to the 2024 Ekka?

ANSWER:

I thank the Member for Chatsworth for the question.

The Department of Transport and Main Roads (TMR) offered free travel on event shuttle buses between Woolloongabba and Herston busway stations to support customer travel to the 2024 Royal Queensland Exhibition Show which ran between 10 and 18 August 2024.

The contract to run these shuttles, including costs, is a commercial-in-confidence matter between TMR and the operator.
