No. 635

Asked on 10 June 2025

MS J PUGH ASKED MINISTER FOR TRANSPORT AND MAIN ROADS (HON B MICKELBERG)—

QUESTION:

With reference to the Centenary Motorway Tunnel Feasibility Study (Darra to Toowong) being conducted by Queensland Investment Corporation and the Department of Transport and Main Roads—

Will the Minister (a) provide an update on the feasibility study and (b) advise when the study and preferred options for the Centenary Motorway will be released?

ANSWER:

I thank the Member for the question.

I refer to the publicly available newsletter released by the former Labor Government in October 2023, which states that community consultation was scheduled to occur in early 2024. Given that this consultation did not occur under the former government, further progress was stalled.

I note the two shortlisted masterplan options have already been released, pursuant to the community update published in September 2024. Both documents are publicly available at: <https://www.tmr.qld.gov.au/projects/centenary-motorway-upgrade-planning>.

The Crisafulli Government is committed to delivering key road and transport infrastructure projects that will get Queenslanders home sooner and safer.
