HON M DE BRENNI, ASKED MINISTER FOR TRANSPORT AND MAIN ROADS
(HON B MICKELBERG)—

QUESTION:

Will the Minister advise how much funds have been expended since 28 October 2024 on updating, or amending, or developing addendums to the business case for the Daisy Hill to Logan Motorway upgrade project?

ANSWER:

I thank the Member for the question.

Since 28 October 2024, a total of \$3.8 million has been expended on works completed for the Daisy Hill to Logan Motorway upgrade project.

The Crisafulli Government is currently preparing a business case addendum for the upgrade of the Pacific Motorway (M1) between Daisy Hill and the Logan Motorway. This review was required to address concerns from Infrastructure Australia, received under the former Labor Government, following the Australian Government's review of infrastructure projects.
