MRS M NIGHTINGALE ASKED THE MINISTER FOR EDUCATION AND THE ARTS (HON J LANGBROEK)—

QUESTION:

With reference to the Glenala Netball Academy project at Glenala State High School, funded under the Go for Gold Program—

Will the Minister advise (a) why construction has not commenced and (b) what is the updated timeline for the project, including (i) projected construction start date and (ii) projected practical completion date?

ANSWER:

I am advised:

- (a) The Glenala State High School project has not yet commenced construction as additional time has been required in the preliminary design phase to address design complexities and allow geotechnical investigation and reporting.
- (b) The Department of Education will proceed to tender in July 2026; this process will establish the project timeline, once a contract is awarded.
 - (i) Term 3, 2026, subject to contract award timing; and
 - (ii) Term 2, 2027, subject to weather conditions and supply chain.
