No. 1137
Asked on 29 September 2004

MRS LAVARCH asked the Minister for Education and the Arts (Ms Bligh) -

QUESTION:

With reference to the Wired for the Future Funding Program –

How have or will schools in the Kurwongbah Electorate benefit from this program?

ANSWER:

Seven schools in the Kurwongbah Electorate have or will benefit from the Wired for the Future Funding Program, through an upgrade of the school's electrical reticulation system. This will deliver better and more reliable electricity supply and support internet access at the following schools:

School	Status	Actual Upgrade Cost	Estimated Upgrade Cost
Lawnton State School	Completed Aug 2004	\$111,901	-
Petrie State School	In Progress. Anticipated completion Nov 2004	-	\$92,696
Kurwongbah State School	Planned 2004-05	-	\$93,500
Strathpine West State School	Planned 2004-05	-	\$31,800
Eatons Hill State School	Planned 2004-05	-	\$74,498
Bray Park State School	Planned 2004-05	-	\$180,600
Bray Park State High School	Planned 2004-05	-	\$1,850
Estimated Total			\$586 845
