QUESTION:

MR MCNAMARA asked the Minister for the Environment (Mr Mickel)—

With reference to the proposed rezoning of the Great Sandy Marine Park—

Will he confirm that he is prepared to meet with any stakeholders likely to be adversely affected by any changes?

ANSWER:

The Member for Hervey Bay has taken every opportunity to raise this matter with me on behalf of his constituents. I thank the Member for his on-going interest in this matter.

A process of consultation is a major component of the proposed zoning plan for the Great Sandy Marine Park (Northern Section).

I recognise that the Member has been receiving deputations regarding the proposed zoning plan and I would be pleased to meet with stakeholders to discuss the proposed zoning plan.
