MR LINGARD asked the Minister for Police and Corrective Services (MS SPENCE) -

QUESTION:

For each of the last two financial years and for the year to date, what is the number of callouts responded to for each district by division?

ANSWER:

The Police Commissioner has advised me that the data requested is not held by the Queensland Police Service in a readily-available form. Consequently, the allocation of significant departmental resources would be necessary to prepare an answer to this question. In any case, the collated data would not be comprehensive or reliable and would need to be treated as indicative only. The Ministerial Portfolio Statements contains service data in relation to the preservation of public safety, crime and traffic.
