

Question on Notice
No.781
Asked Friday, 18 June 2004

Mr Rowell asked the Minister for Employment, Training and Industrial Relations (**Mr Barton**):

QUESTION:

1. For each of the last two financial years and for the year to date, will he provide details of:
 - (a) The total number of computers, associated software and ICT equipment that has been reported stolen from TAFEs and educational institutions
 - (b) The total value of all equipment stolen and
 - (c) The estimated cost of replacement
2. For (1), will he provide a breakdown according to region?

ANSWER:

1. Based on TAFE Institute's Loss Incident Reports, the following information is provided on equipment reported stolen to Police.

See attached tables

Exceptions:

- The information in the format requested for the Financial Year 2001/2002 is not available as the department held aggregate information only and not information by specific asset or incident type.
 - The information is for TAFE Institutes only and does not include Agricultural Colleges and Aviation Australia
2. TAFE Institutes are not categorised into a regional structure and therefore the information is not broken down according to region
