Asked on 31 August 2004

MR MESSENGER asked the Minister for Education and Minister for the Arts (Ms Bligh) -

QUESTION:

With reference to pre-schools –

- (1) What is the name and location of each pre-school currently not located in school grounds?
- (2) What is the current enrolment of each?

ANSWER:

- (1) All state preschool centres are administered as a unit of a 'host' state school. The attached table provides the name and address details of the state preschool centres that are 'off-site'. Off-site preschools are defined as those that are separated from their host school and/or other school campuses by a roadway or similar, and that do not have a common boundary with the host school and/or other school campuses.
- (2) The attached table also provides the latest available enrolments for these preschools, as at August 2004.
