

**Question on Notice
No. 421
Asked on 24 March 2005**

MR LANGBROEK asked the Minister for Health (MR NUTTALL)—

QUESTION:

Will he advise the number of people that were listed for and the number of people whom actually received (reported separately) chemotherapy treatments for each public hospital in Queensland (reported separately) for 2002-03, 2003-04 and 2004-05 [year to date] (reported separately)?

ANSWER:

Queensland Health does not collect the requested data centrally, so collation and provision of the figures would divert Queensland Health staff from their duties providing and supporting health services for Queenslanders.
