Asked on 19 April 2005**

MISS SIMPSON asked the Minister for Health (MR NUTTALL)—

QUESTION:

What is the number and percentage (reported separately) of overseas trained doctors filling positions in Queensland public hospitals, compared to Australian trained doctors over the last two years and financial year to date (reported separately by year and by district)?

ANSWER:

It is not possible to answer this question accurately as the number of overseas trained doctors varies on a frequent basis with staff movements.
