QUESTION:

With reference to all of the police stations in Queensland:

Will she provide details of the number of 24 hour police stations in Queensland

- (1) Will she list the names of all police stations in Queensland that provide 24 counter service?
- (2) Will she list the names of all police stations in Queensland that are deemed 24 hour police stations?

ANSWER:

After seeking advice from the Commissioner of Police, the following information has been provided: There are 94, 24 hour divisional police stations providing policing services to the community of Queensland.

A number of these police stations provide 24 hour counter services. However, it is not possible to identify those stations as the requirement for counter coverage can vary. Coverage is provided based on local operational needs.
