---------------------------	---	---

* These two projects are being combined into a two storey block with administration facilities on the ground floor and four teaching spaces on the first floor.

In relation to Information Technology Upgrades site assessments and scope of work for the 2006/07 ICT Programs have not been finalised. Therefore, the total funding for individual schools within the electorate of Chatsworth, or any other electorate is not available at this time.

In addition, schools also may receive funding from other sources for the upgrade of information technology at a school's own discretion.
