Mr PETER WELLINGTON asked the Attorney-General and Minister for Justice (Mrs Lavarch) -

QUESTION:

What assurance will she provide to residents of the Sunshine Coast hinterland that the Nambour Courthouse facility will continue to be upgraded and continue to provide an important service to the community?

ANSWER:

- (1) I can give the Member for Nicklin that assurance. The Nambour Courthouse has provided excellent services to the people of Nambour and will continue to do so. In fact, Nambour Courthouse has recently been extensively re-painted, fitted out with vertical blinds and had a new air-conditioning system installed.

This has been done to ensure maintenance of a pleasant and functional environment for courthouse clients, as well as for staff as they continue to provide quality courthouse services to the community.
