Mr G Malone asked the Minister for Public Works, Housing and Racing (MR SCHWARTEN) –

**QUESTION:**

With reference to applications for special purpose disability housing from residents of the Jacana Acquired Brain Injury Centre at Bald Hills –

- (1) How many applications have been received within the last three financial years and for the current year to date?
- (2) How many applications were approved?
- (3) Of the applications approved, how many applicants were unable to take up the offer of housing because of the lack of other community support services?

**ANSWER:**

The department has not received an application from the Jacana Acquired Brain Injury Centre seeking Community Housing funding. As this organisation is not funded by the department, the department is unable to provide details about its client numbers or their specific needs.
