MR LANGBROEK asked the Minister for Public Works, Housing and Racing (MR SCHWARTEN)-

QUESTION:

Will he detail monies paid by Queensland Racing for redundancy payments and contract payouts over the last three years (detailed separately)?

ANSWER:

Under the *Racing Act 2002*, the control body for thoroughbred racing in this State has the responsibility of managing its code of racing, including the employment of staff and the engagement of contractors.

Consequently, any questions in relation to the employment of persons or the engagement of contractors by Queensland Racing should be directed to Queensland Racing.
