ANSWER:

I refer you to Question on Notice No. 14 dated 22 June 2007 for the Estimates Committee in answer to this question.

In addition \$40,000 has been expended for an ACNielsen poll to ascertain the views of Queenslanders on local government reform.

During 2007/08 the Department will continue its Stronger Councils public education campaign, which commenced in 2006/07. The budget provided in QoN 14 for Estimates remains accurate.
