

**Question on Notice**  
**No. 1818**  
**Asked on 1 November 2007**

MR SEENEY asked the Minister for Health (MR ROBERTSON)-

**QUESTION:**

With reference to the projects that are outlined for his department detailed in the 'Regional Revolution – Building tomorrows Queensland today', a campaign that took place at a cost of \$79,368.38 (excluding GST) and listed by portfolio in answer to Question on Notice No. 1338 asked on Wednesday, 5 September 2007—

Will the Minister outline for the health portfolio (a) the date each project mentioned was announced (reported separately), (b) the date that construction of each project was originally announced to occur and when construction actually commenced (reported separately) and (c) the date that each project mentioned in the advertisement was completed or, if not completed, when the expected date of completion will be (reported separately)?

**ANSWER:**

As the Deputy Premier indicated when answering Question on Notice No. 1338, hundreds of infrastructure projects are currently being delivered in regional Queensland to make the State an even greater place to live, work, play and do business. Every day, the largest capital works program in the history of the State is taking shape with thousands of workers delivering new health facilities to meet the needs of regional Queensland.

The attachment provides details of those projects which are specifically referenced in the Government advertisements referred to by the Member and the dates requested where these have been previously specified.
