Asked on 22 February 2007

MR SEENEY asked the Premier and Minister for Trade (MR BEATTIE)-

QUESTION:

For 2005-06 and 2006-07 (year to date), will he provide details of all Department of the Premier and Cabinet advertising campaigns, market research projects, communications programs and initiatives, on-line marketing and communications initiatives, and marketing and promotional material (referred to below as initiatives) broken down by (a) the name of the initiatives, (b) media publications in which the initiatives appear (if applicable), (c) dates when the initiatives were implemented and appeared in the media (if applicable) and (d) total cost of the initiative including production costs, consultant/contractor costs, media placement costs and distribution costs?

ANSWER:

The Member will appreciate the day to day work of the Department of the Premier and Cabinet includes providing core services, recruiting staff, procurement activity and placing tender advertisements for major projects. In addition, a vast range of information is provided to members of the public and key stakeholders of the Department of the Premier and Cabinet through a wide array of methods and channels such as publications, phone, web, email and traditional media.

In keeping with the precedent established in answers to Questions on Notice such as numbers 1104 and 1472 of 1997 by Coalition Government Ministers Honourable Russell Cooper and Honourable Michael Veivers, it is not practical, nor would it be reasonable to divert the resources of the Department of the Premier and Cabinet to identify every single item of marketing, promotional or public information material. If the member cares to ask for the costs of specific promotional and advertising campaigns, I would be more than happy to provide the information. However, I have previously provided to the Parliament specific details of some campaigns.

The total figures for 2006-07 will be made available in the Department of the Premier and Cabinet annual report which will be tabled in Parliament. The total figures for 2005-06 are available in the 2005-06 Annual Report of the Department of the Premier and Cabinet which was tabled last year.
