

Question on Notice

No. 419

Asked on 13 March 2007

MR RICKUSS asked the Deputy Premier, Treasurer and Minister for Infrastructure (Ms BLIGH) –

QUESTION:

With reference to the building of the Water Grid—

How much pipe has been laid since the last such question on notice was asked, for each of the following projects (each project reported separately) (a) Southern Regional Water Pipeline, (b) Western Corridor Recycled Water Scheme, (c) Eastern Pipeline Inter-connector and (d) Northern Pipeline Inter-connector?

ANSWER:

I refer the Honourable Member to the Queensland Water Commission's monthly reports on implementation of the water infrastructure projects listed in *Water Regulation (No. 6) 2006*. These reports provide monthly updates on progress on the four projects listed in his question.
