Asked on 18 April 2007**

MISS SIMPSON asked the Minister for State Development, Employment and Industrial Relations (MR MICKEL) —

QUESTION:

With reference to his response to Question on Notice No. 518, and noting that he advised that the Director-General of the Department of State Development does not operate a reserve, contingency or emergency fund or a fund for one-off grants - (1) Have any one-off grants been approved by his department in 2005-06 and 2006-07? (2) If so, will he provide for each one-off grant approved the (a) reason for expenditure, (b) total amount, (c) date approved and (d) approving officer?

ANSWER:

Whilst the Director-General of State Development does not operate a separate fund for one-off grants, the department does fund emergent initiatives on a case by case basis from within existing programs.

A list of these initiatives for 2005-06 is attached. Data for 2006-07 will be finalised at the end of the financial year.
