**No. 649**  
**Asked on 19 April 2007**

MR STEVENS asked the Minister for Emergency Services (MR PURCELL) -

QUESTION:

With reference to the emergency response times (Code 1 response times) for the Robina Electorate - Will he detail the emergency response times in the south eastern region (Region 6) for the following suburbs (a) Broadbeach, (b) Broadbeach Waters, (c) Merrimac, (d) Mermaid Beach, (e) Mermaid Waters, (f) Robina, (g) Varsity Lakes and (h) Clear Island Waters?

ANSWER:

As the question does not specify a Service or timeframe, I presume the information sought relates to the Queensland Ambulance Service.

All of the abovementioned suburbs fall within the Gold Coast area. Code 1 response times for the Gold Coast area for the 2005 - 2006 financial year were 68.10%.
