Mrs MENKENS asked the Minister for Police and Corrective Services (MS SPENCE)—

**QUESTION:**

With reference to QPRIME—

- (1) What is the total number of staff that have been employed by the Queensland Police Service to do data entry for QPRIME?
- (2) What is the total amount that has been spent on wages, administration and other costs for these staff that are employed to do data entry for QPRIME?
- (3) What is the total amount budgeted for wages, administration and other costs for these staff that are employed to do data entry for QPRIME?

**ANSWER:**

I ask the member if she would define what she means by data entry? Upon receipt of this definition I can give an accurate and detailed response. Currently all operational police officers can be required to enter data into QPRIME as well as civilian employees and trainers.
