MR MESSENGER asked the Minister for Police and Corrective Services (MS SPENCE)-

QUESTION:

What are the results of the November 2006 and February 2007 Corrective Services State-wide drug urinalysis survey?

ANSWER:

The results of random drug tests have never and will never be covered up. The Member for Burnett has been informed on numerous occasions that a software failure prevented some results from being published. I am informed the results referred to in the question will be published soon.
